Dear Mr. Wright

Re Domo Blue Home Plan

This is to confirm that the Domo Blue Plan has been accepted by the Polish Red Cross District Branch in Stary Sącz as a house suitable for Refugee Housing and in particular for use for by the Ukrainian Refugees in Poland.

We have also agreed to promote the show home in the World for Ukraine Summit on October 17 to 19 2022 in Rzeszow, Poland and will provide staff for this purpose.

You are also permitted to use the name "Polish Red Cross" in the handouts you will prepare for the World for Ukraine Summit in multi languages for this excellent refugee housing solution.

We look forward to receiving our first show home in due course.

Yours Sincerely

PREZES
